Good to meet you Carol,

This is Mina Shehee. Amy and I are currently in a meeting here in Wilmington and a press conference after. We don't expect to be back to Raleigh until later. Perhaps Friday before 9:00 am or after 10:30am? We have a health conference call at 9:30 to 10:30.

Amy, Mina and Connie,

My name is Carol Kemker and I serve as the Deputy Director for Air, Pesticides and Toxics Management Division at EPA Region 4. I am working with Headquarters to set up a call where you can discuss the risk assessments for the ChemX chemicals manufactured at the Chemours facility in NC with our risk assessors in the Office of Chemical Safety and Pollution Prevention. Today the EPA folks have availability at 2:00 and 4:00. The 2:00 time slot is a little better for us, but 4:00 works, also. Please let us know if one of these times works for you and I will set up a call in number.

Carol
